# Scary Pumpkin

**Why was Dracula always flying away?**

*Because people drove him batty!*

Get out your wax or pencil crayons and make this pumpkin even more fun. An orange crayon for the pumpkin is a good start.

**What sport did Count Dracula excel at?**

*Basketball.*

**What did the witch say to the skeleton?**

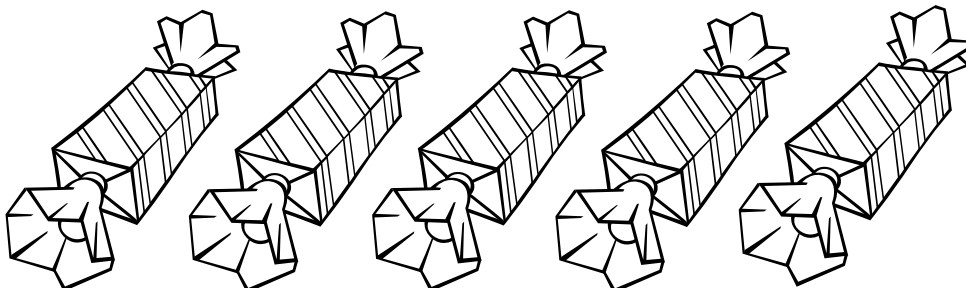

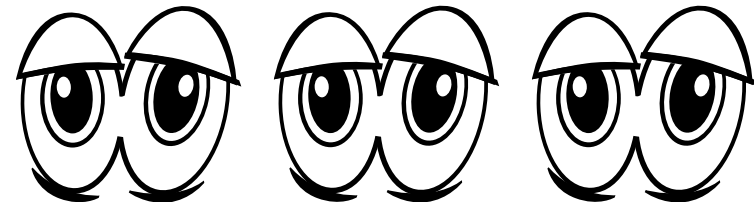

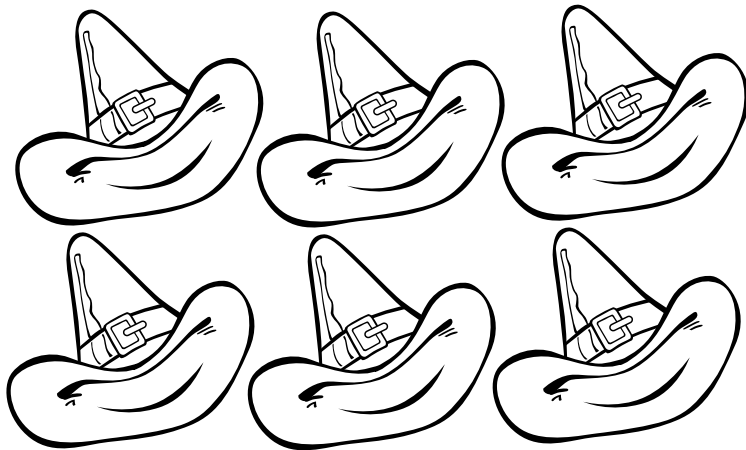

*I think you've taken this diet craze a little too far.*

**Why did the Mummy who worked as a Tailor get so exhausted?**

*Because he got all wrapped up in his work.*

# Count Dracula

Count the amount of objects in each group and draw a line to the corresponding number.

wrong way

The Mummy took a wrong turn and got lost in the desert. Help him find his way back to the burial crypt before morning.

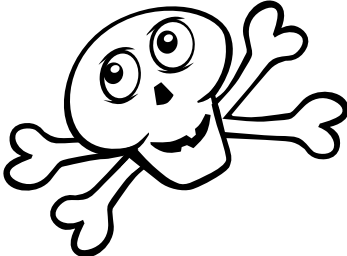

See if you can count the number of ghosts that appear on this page. Afterwards, get out your crayons and liven up this drawing!

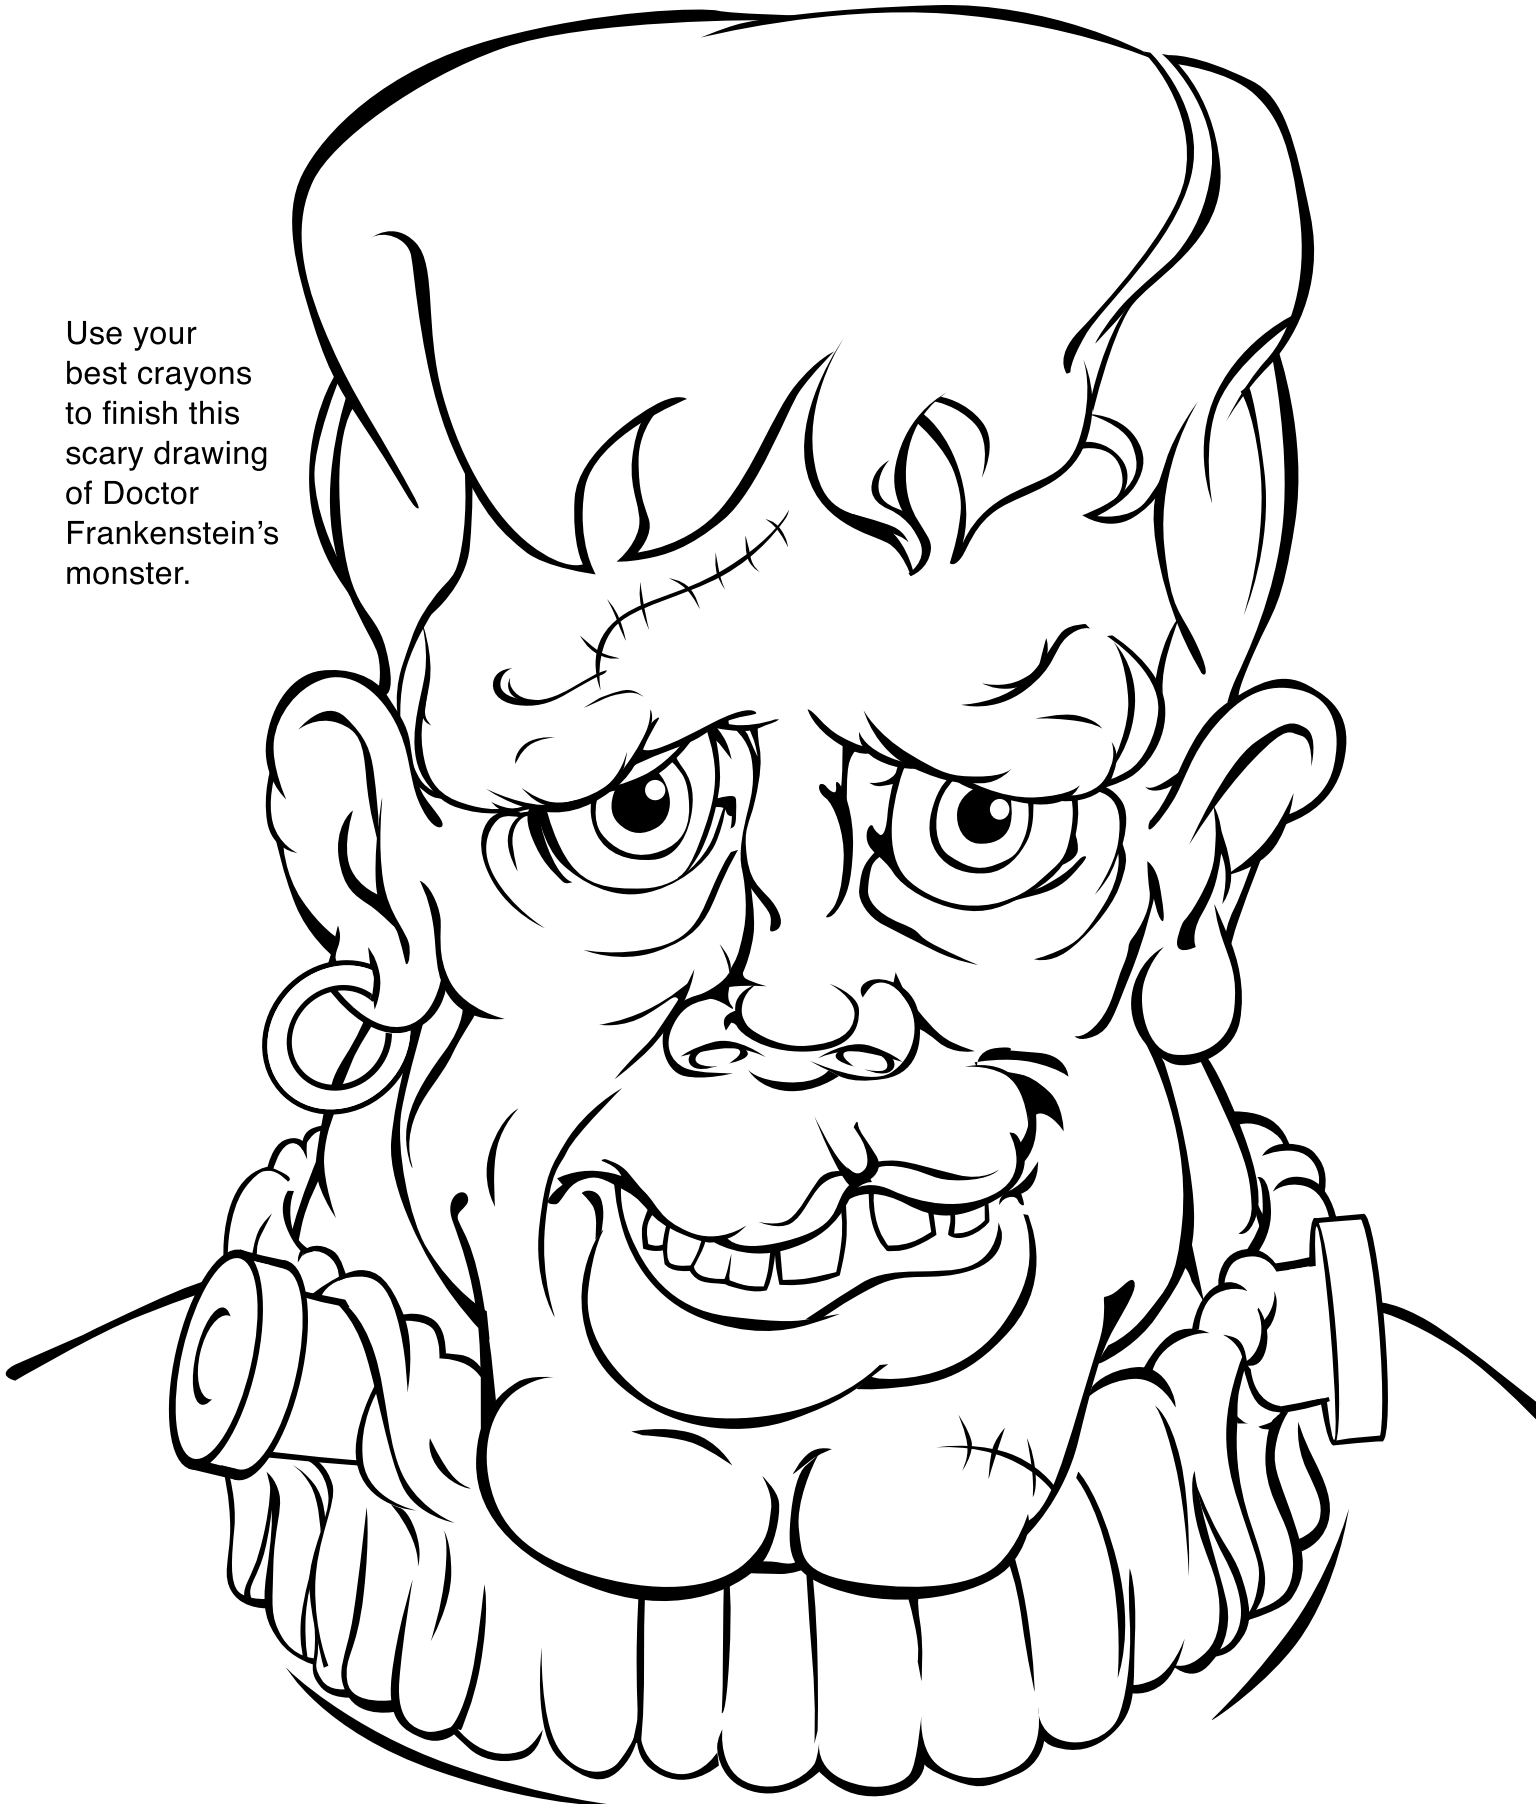

# Copy Cat

Using the square grid as your guide, see if you can redraw the small picture of the cat's face. After you are finished, use your wax or pencil crayons to brighten up your drawing.

Use your best crayons to finish this scary drawing of Doctor Frankenstein's monster.

# Pumpkin PATCH MATCH

Two of these pumpkins are identical.  
Can you find them? Use your best  
crayons to brighten up this picture.
